IN RE: AREA CODE 319 RELIEF PLAN	DOCKET NO. SPU-99-30
---	----------------------

ERRATA ORDER

(Issued January 2, 2001)

On December 28, 2000, the Utilities Board (Board) issued an "Order Granting And Denying Applications For Reconsideration" in this docket. In Ordering Clause No. 1.a of that order, the Board extended the mandatory dialing date to December 1, 2001. That date is in error; December 1, 2001, is a Saturday. Area code splits are typically implemented on Sundays to minimize the interference with the telephone network. Accordingly, the Board will correct its order to state that mandatory dialing will commence on Sunday, December 2, 2001.

IT IS THEREFORE ORDERED:

Ordering Clause No. 1.a of the "Order Granting And Denying Applications For Reconsideration" issued in this docket on December 28, 2000, is corrected to read as follows:

a. The permissive dialing date will be delayed to March 25, 2001,
as requested by Qwest, and the mandatory dialing date to December 2,
2001.
